

OPCAT visit to the Assisted Living Center for the Elderly in Pécel

On 10 November 2015 staff members of the OPCAT National Preventive Mechanism (NPM) Department conducted an unannounced visit to the Assisted Living Center for the Elderly in Pécel.

The visit followed up the fulfilment of the recommendations of a report published by the ombudsman on the results of a previous inspection. The lawyer, psychologist and pedagogue members of the visiting team talked to the residents of the retirement home, interviewed the management and the staff of the institution. The members of the visiting team inspected the buildings where the persons in need of care are accommodated. They made measurements of the premises, took photographs of the furniture and examined the relevant documents. The NPM is going to publish a report on the findings of the visit.

Members of the visiting team were:

- István Sárközy, senior advisor, head of delegation
- Gábor Izsák, senior advisor
- Krisztina Izsó, senior advisor
- Rita Rostás senior advisor
