

Gergely Fliegauf's Presentation About the Functioning of the OPCAT National Preventive Mechanism Given at Károli Gáspár University of the Reformed Church of Hungary

On 11 November 2019, Head of OPCAT National Preventive Mechanism Department Gergely Fliegauf held an educational and awareness-raising presentation to the students, jurists and university professors gathered for this occasion in the framework of the Scientific Students' Conference that was organised at Károli Gáspár University Faculty of Law. The title of the presentation was "OPCAT NPM Visits at Places of Detention – Psychological Aspects". During the exchange of views, Gergely Fliegauf spoke about the conditions in places of detention as well as the treatment, the working method of the NPM, and the broader social sciences related topics. Several questions were raised during the presentation, and thanks to the discussion, the audience could collect complex information about the functioning of the NPM.
